The screenshot shows a project backlog board titled "Algoritmos Grafos". The board is divided into three columns: "In progress" (1 item), "In review" (1 item), and "Done" (7 items). Each column has a header with the count and estimate. Below each header is a descriptive message. The "In progress" and "In review" columns each contain one card with a green circular icon and the text "Grafos #1" followed by a descriptive title. The "Done" column contains seven cards, each with a purple circular icon and a descriptive title. At the bottom of each column is a "+ Add item" button.

The screenshot shows the same project backlog board as the first one, but with a change: the card from the "In review" column, which previously had the ID "Grafos #13" and the title "Cuarto Algoritmo", is now in the "Done" column with the ID "Grafos #12" and the title "Tercer algoritmo". All other items and their counts remain the same.

The screenshot shows a project management application with a dark theme. At the top, there's a header with the project name "Algoritmos Grafos". Below the header is a toolbar with various icons and buttons. The main area is divided into three vertical columns: "In progress", "In review", and "Done". Each column has a summary row at the top with a status icon, count, and estimate. Below each summary is a descriptive message. At the bottom of each column is a "+ Add item" button. The "Done" column is expanded to show four individual items, each with a status icon, a title, and a brief description. A blue outline highlights the third item in the "Done" column.
